Spartanburg Water Employees' Day of Community Service: Helping Others - Helping Our Community

Spartanburg Water employees will be spending Saturday, April 9th, helping others throughout the Spartanburg community. Over 80 employees and their family members plan to spend time with five different non-profit organizations assisting with much needed projects and services. The Spartanburg Water Day of Community Service is an opportunity for employees to give back to the community in which they live and work.

Employees and their family members will be assisting the following agencies:

1. Upstate Family Resource Center- Indoor & outdoor projects
2. Christmas in Action- Rebuild Day, located in Spartanburg
3. Children's Shelter of the Upstate-Assisting with their monthly yard sale in Cowpens at their storage facility
4. Soup Kitchen-Preparing and serving food
5. Ellen Hines Smith Girls Home- Outdoor projects

Spartanburg Water partnered with the United Way of the Piedmont to assist and organize their annual Day of Community Service. A dedicated committee made up of Spartanburg Water employees led this effort in identifying focus area and team leaders for each project. Sue Schneider, General Manager of Spartanburg Water, stated that "I am very proud of the level of community engagement and willingness of our employees to give of themselves to help meet the needs of others throughout Spartanburg. Our annual Day of Community Service reflects the type of service that each of our employees willingly provide to this community as they carry out their day-by-day roles at Spartanburg Water."
