Spartanburg Water is pleased to announce that one of its employees has been named the Blue Ridge Foothills District 2009 Maintenance Person of the Year. Tony Cash, Above Maintenance Coordinator for the company's Water Resources Department, received the award. He has been employed at Spartanburg Water since 1988, and has been in the supervisory position of AGM Coordinator since January 2007.

This award is given annually to an Association member for excellent achievement in maintenance of a water, wastewater, or collection or distribution system within the Blue Ridge / Foothills District of the Water Environment Association of S.C. This district includes Oconee, Pickens, Greenville, Spartanburg and Anderson Counties.

Ken Tuck, Water Resources Department Manager, states that "Spartanburg Water is proud of Mr. Cash for this accomplishment, and appreciative of his many years of excellent service in his field."
